## OPTIONAL SURROUNDS

Add a designer touch to your space with a beautifully finished Dark Grey or Bronze colored surround. These decorative surrounds will compliment all WM fireplaces: 34", 42", 50", 60", 74", 88", 100". The surrounds will arrive in a separate package.

Dark Grey

Bronze

## FOR SEMI-FLUSH MOUNT INSTALLATION

For rooms where space may be at a premium, WM models can also be partially recessed within a 2 x 4 wall. The unit will sit 2" outside of the wall with 4" of the unit mounted inside.

- This install option requires the Semi-Flush Mount Surround (SYM-XS) to finish the look of the fireplace.
- The Semi-Flush Mount Surround has a black finish and has a depth of 2 1/4"
- The Semi-Flush Mount Surround must be purchased separately. Ships in a separate box.
- This application is only applicable to the WM models

## CLEAN FACE NO UNSIGHTLY VENTING

Unlike models made by other manufacturers, WM models are unencumbered by unsightly venting. Venting and grills take away from the aesthetics of a fireplace and the WM series have some of the biggest glass viewing areas in the industry. You'll see more of what is important - a beautiful, warm and comforting flame display.

## HASSLE FREE INSTALLATION

The Remii has been made with standardized unit sizing. This means that the opening for the fireplace can be made at any stage of a build, the appliance can be easily installed and finished with the included surround at the end of a project. The surround beautifully completes the fireplace without the need for finicky or costly finishing.
