Make your space complete with the Contemporary Pedestal Display, which offers flexibility and simplicity in styling, allowing your space to include the luxury of a fireplace

The installation of an electric fireplace in your showroom using a Contemporary Pedestal Display is extremely simple. Requires no remodeling. Simply assemble the pedestal and storage, insert the fireplace, and plug it into a standard outlet. Because installation of these displays does not require any remodeling, structure modification, or permanent wiring, these displays can be easily moved around in your showroom.

Easy Installation, everything you need comes in the box.

### FEATURES

- Sleek European design
- Quick and easy assembly.
- Allows you to install/display fireplace anywhere in your room
- Transforms the fireplace into a freestanding unit
- Can be easily moved to another room
- Realistic log display area
