The WM series offers a choice of two flame patterns, Amantii's traditional diffused flame appearance and a new realistic flame style. The WM features the multi-color FIRE & ICE® flame presentation and boasts a true clean face display unencumbered by unsightly heat vents. Ambient canopy lighting illuminates decorative media adding another element of dimension. The slim design allows for versatile applications, inside or outside, including semi-flush mount within 5.08cm x 10.16cm wall and the standardized sizing allows for hassle free installation at any stage of your project.

KEY FEATURES: WM

- Can be fully recessed or Semi Flush Mounted within a 50 x 100 mm wall.
- SYM-XS surround required for semi flush mount applications
- WiFi compatible to connect and control the fireplace from your smartphone with the use of our app. Available on the Google Play Store and the Apple App Store
- Three flame speed motor
- Choose from combinations of yellow, orange, and red colored flames
- Two flame pattern styles – standard and more traditional
- Flame operates with or without heat
- Choose from 11 colors of canopy and ember bed lighting to illuminate decorative media from below and above
- Touch pad for convenient control of features and temperature display on the fireplace
- Programmable timer & thermostat allows you to decide the temperature of the room. Set your fireplace to turn on before you arrive home or have it automatically turn on when the weather is cold
- Patented thermostatic remote comes included

Hidden venting and no grills. The heater is located at the top of the unit allowing heat to cascade down in front of the glass.

OPTIONAL SURROUNDS

For WM fireplaces only. See page 12 for more details.

Dark Grey

Bronze

# WM SURROUND OPTIONS

## OPTIONAL SURROUNDS

Add a designer touch to your space with a beautifully finished Dark Grey or Bronze colored surround. These decorative surrounds will compliment all WM fireplaces: 34", 42", 50", 60", 74", 88", 100". The surrounds will arrive in a separate package.

Dark Grey

Bronze

## FOR SEMI-FLUSH MOUNT INSTALLATION

For rooms where space may be at a premium, WM models can also be partially recessed within a 5.08cm x 10.16cm wall. The unit will sit 5.08cm outside of the wall with 10.16cm of the unit mounted inside.

- This install option requires the Semi-Flush Mount Surround (SYM-XS) to finish the look of the fireplace.
- The Semi-Flush Mount Surround has a black finish and has a depth of 5.715cm"
- The Semi-Flush Mount Surround must be purchased separately. Ships in a separate box.
- **This application is only applicable to the WM models**

## CLEAN FACE NO UNSIGHTLY VENTING

Unlike models made by other manufacturers, WM models are unencumbered by unsightly venting. Venting and grills take away from the aesthetics of a fireplace and the WM series have some of the biggest glass viewing areas in the industry. You'll see more of what is important - a beautiful, warm and comforting flame display.

The Remii has been made with standardized unit sizing. This means that the opening for the fireplace can be made at any stage of a build, the appliance can be easily installed and finished with the included surround at the end of a project. The surround beautifully completes the fireplace without the need for finicky or costly finishing.

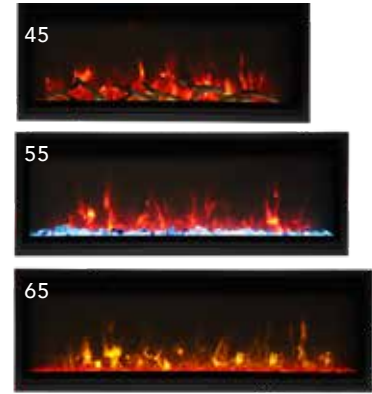

WM-SLIM

The NEW WM-Slim electric fireplace offers the perfect blend of style and functionality to any room it's placed in. Defined by it's slender depth proportions and streamlined integration into any contemporary domain, the WM-XS is a both a familiar emblem of welcome and conversation.

## CONTEMPORARY PEDESTAL DISPLAY

Make your space complete with the Contemporary Pedestal Display, which offers flexibility and simplicity in styling, allowing your space to include the luxury of a fireplace

The installation of an electric fireplace in your showroom using a Contemporary Pedestal Display is extremely simple. Requires no remodeling. Simply assemble the pedestal and storage, insert the fireplace, and plug it into a standard outlet. Because installation of these displays does not require any remodeling, structure modification, or permanent wiring, these displays can be easily moved around in your showroom.

Easy Installation, everything you need comes in the box.

### FEATURES

- Sleek European design
- Quick and easy assembly.
- Allows you to install/display fireplace anywhere in your room
- Transforms the fireplace into a freestanding unit
- Can be easily moved to another room
- Realistic log display area

FIRE GLASS & MEDIA OPTIONS

FIRE GLASS

Our decorative fire glass media is a beautiful addition to your fireplace. Turn your fireplace into a expressive work of art by simply adding our decorative fire glass media. Our fire glass adds a distinctly modern feel to your gas fireplace - mix colors and textures for a unique appearance.

Our decorative fire glass is tempered and will not melt or degrade, some discoloration is normal on glass that is placed directly on the flame. Always wear protective gloves when handling fire glass media.

One 5lb container of media will cover 1 square foot.
